Christopher R. Dixon
St. Louis Suit Project
1232 Washington Ave.
Suite 220
Saint Louis, MO 63103

Dear Christopher,

It was so nice to meet you. It was such a pleasure to have you and Ben participate in our First Friday mass and to tour our campus.

We are so thrilled about the partnership between Marygrove and the St. Louis Suit Project! As you know, we help our young people – many of whom have been homeless or who have experience much adversity in their life – prepare for an independent and productive life. For our young men to have a suit to wear to job interviews and other events will build confident, present a professional image and open doors to jobs and professional relationships. You have helped our young residents in such an important way... God Bless you and the good work of your organization!

You are a friend of Marygrove and welcome here anytime!

Sr. Helen Negri

CC: Gary Grewe

Thanks for your help!
